Name	Date

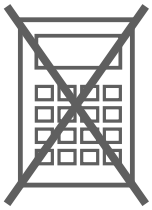
GCSE Mathematics 9-1

Place Value

(Non-Calculator)

Exam-Style Topic Paper	Total Marks
Time: 32 minutes	**/ 28**

Instructions



- Use black ink or ball-point pen.
- Fill in the boxes at the top of this page with your name and date number.
- Answer all questions.
- Answer the questions in the spaces provided – there may be more space than you need.
- You must show all your working.
- Diagrams are NOT accurately drawn, unless otherwise indicated.
- Calculators may **not** be used.

Information

- The marks for each question are shown in brackets – use this as a guide as to how much time to spend on each question.

Advice

- Read each question carefully before you start to answer it.
- Try to answer every question.
- Check your answers if you have time at the end.

1 Write down the value of the 7 in the number 17,482

.....

[1 mark]

2 Write down the value of the 3 in the number 2,305

.....

[1 mark]

3 Write down the value of the 9 in the number 49,627

.....

[1 mark]

4 Write down the value of the 5 in the number 3,582

.....

[1 mark]

5 Write down the value of the 2 in the number 152.46

.....

[1 mark]

6 Write down the value of the 6 in the number 26,715

.....

[1 mark]

7 Write down the value of the 8 in the number 38,942

.....

[1 mark]

8 Write the number 3.5 million in figures

.....

[1 mark]
